### Fox

\* Fox trapping is prohibited in counties marked with an asterisk by state law. However, if foxes are causing property damage, landowners can obtain a wildlife depredation permit and list an individual trapper as the acting agent for the landowner on the permit. To find out how to obtain a depredation permit, please contact the NC Wildlife Helpline at 866-318-2401 or [HWI@ncwildlife.org](mailto:HWI@ncwildlife.org).
